Thanks Jody! Sounds good, just wondering - looks like we have a tribe coordination call Thursday afternoon, so maybe we will know something by then! Cheers!

Hi Sheila,

I'm good thanks, the leaves are turning which is a beautiful thing to see.

We have Sept. 22nd as the end of the 90-day clock. OMB has requested a meeting with us and OGC this week. Claudia is setting it up. We don't know what their questions are yet ...

Sorry, that's all I know!

Jody - how are you on this fine almost last day of summer! So I had in my calendar as the 21st being the conclusion of the 90 day clock for the FIP to come out of OMB. Is there a place I go to check? Or is there some sort of announcement? Just curious and still figuring out some of this stuff. Thanks Jody!
